Children's Shoe Policy Reminder

Shoes for playground structure & climbing play must be an enclosed athletic shoe with laces or velcro straps. Sandals with back straps are still acceptable shoes for school but are NOT allowed on the play structure or climbing boulders. In order for your children to get the most out of their day, we suggest you bring them in acceptable shoes. *Also, NO FLIP-FLOPS or SLIP-ON's allowed.* Thank you for your support in ensuring your child's safety here at school.

Coming and Going

Please arrive no more than 5 minutes before class begins and return 5 minutes before class ends so you will be on time.

Teachers are scheduled for class "prep" time before class. Children that are here before class are scheduled for extra care and parents pay an additional fee.

Beginning September, if you need to reserve additional time for care, before or after class, you must make a request 24 hours in advance with the office. Approval depends on space availability.

Payment is due at the time of service by cash, check, auto debit or credit card.

Summer Is Here...

and THE SUN
Is HOT!

*Please remember to put
sunscreen on your child before
bringing them to school.*

*(Sunscreen, chapstick, etc. may
NOT be kept in a child's cubbie.
If needed, please contact the
office to make arrangements.)*

*Hats and sunglasses
are also a good idea.
Be sure to label them with
your child's name.*

*Make sure you have extra
clothes at school for your
child. We will be playing in
water for fun and to stay cool.*

Contact Us

Please contact us by e-mail:
preschool@eastlakechurch.com for:

- Messages for teachers
- General questions
- Requests for adding extended care or lunch (24 hours in advance)
- Reporting your child's absence

Or Text us
(619)739- 4061

Please include your child's first and last name on the text

*Not a phone line, only used for texting

CONTINUING THIS YEAR!

KID FIT is a preschool physical education program designed to instill healthy lifestyle habits in children ages 2-6. The curriculum incorporates exercises & fitness activities for young children. Children learn about overall health, anatomy, nutrition, healthy food choices and exercise.
